

Other Ways We Help

While our main focus is on sending special needs children to camps all across America. We also would like to help make their dreams come true as well. Maybe you have a child that has never been to a sporting event like a major league ball game or never been to a big time amusement park. Well we're here for you, visit our site www.sendakid2camp.org and give us your kids dream come true wish. We believe in making little hearts smile a real joy, while making them smile our hearts are smiling too with every dream we can make come true. Please feel free to tell us about kids that may need our help. We would love to hear from you.

Well then you've come to the right place. At Reachout America, that is exactly our mission by making hopes and dreams come true. As a national non-profit foundation, we make the dreams of America's children come to life through the help of public, private and corporate donations and grants.
