Dear Youth Leaders,

Our Congress will continue with the special **Youth Talent Night** on Friday, January 27<sup>th</sup> at 7:00 p.m. Will your church answer the roll call when it is called? We want to see and hear your youth perform a single act of talent from your church on that night, limited to 4 minutes please. Last year it was exciting to witness the youth in action.

Also, remember Friday is the night we receive a special banner offering from your church. Very special gifts are given to the pastor and superintendent of the top contributing church school in four classes. So, if your church school has from 5 to 105 members, there will be a division for your banner offering.

Oh yes! On Saturday, January 28<sup>th</sup> from 8:30 a.m. until Noon at the O. Perry Walker Senior High School, 2832 General Meyer Avenue in Algiers, there will be “**A Model VBS**” workshop that will literally present “**VBS in a Box.**” Dr. James Casimier has a variety of presenters who will teach and encourage all VBS workers how to present this year’s VBS lessons. This will include an arts and crafts presentation; how to do a play at the closing; and instructions for every age class. The registration is only \$5.00 per person.

Call Sis. Eulalie N. Nicholas, Registrar at 504-239-3169 (cell) or 504-361-5004 (home) for details and registration.

Looking to shake your hand during the week.
